M E A N D R O

Meandro é um sofá inspirado nos caminhos sinuosos dos rios, simbolizando fluxo e transformação. Seus módulos flexíveis permitem múltiplas composições e dialogam com o espírito da coleção Simbiose, que valoriza encontros e interdependências. Combinando couro, madeira, formas orgânicas e lógica modular, ele se adapta ao ambiente sem rigidez. Na filosofia da Uultis, representa o equilíbrio entre movimento e permanência, acompanhando o modo de viver contemporâneo com cultura, memória e beleza discreta.

ESTRUTURA

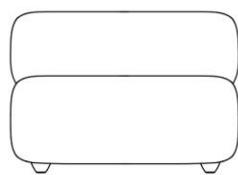

A estrutura é composta de madeira maciça selecionada de altíssima qualidade. As camadas de conforto contam com espumas média e alta densidade no assento e no encosto.
