V E T R A

O Vetra nasce da ideia de que a vida é flexível e em constante movimento. Seus módulos se ajustam como margens moldadas pela água, com formas baixas e arredondadas que remetem a rochas polidas pelo tempo. Inspirado tanto na lógica ancestral de reorganizar o espaço quanto no design modular italiano dos anos 1970 e no modernismo brasileiro, o Vetra combina liberdade, conforto e simplicidade sensorial. Assim, transforma módulos individuais em um espaço único, orgânico e contínuo.

ESTRUTURA

Estofado com estrutura de madeira maciça de reflorestamento, os encostos soltos possuem chapas de MDF conformado de alta qualidade.

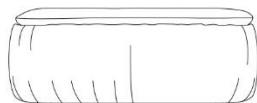

O assento possui espumas de média densidade sob um pillow de espuma soft. Os encostos soltos possuem espumas de média densidade. As almofadas soltas são preenchidas com fibra poliéster.
